

Prepare. Work. Prosper.

OPELIKA, *your next* HOME BASE

Live. Play. Thrive.

We want you to make OPELIKA your next home base and the **Opelika CPI (Career Path Internships) Program** offers plenty of opportunities to get you started toward an excellent career.

The City of Opelika and our business community are strong supporters of transitioning service members and we definitely understand the tremendous impact you offer a local workforce. You bring much needed value to our companies, have a commitment to quality and already possess some of the high-demand technical skills needed in today's marketplace. In order for Opelika to prosper, there must be a strong workforce. And, in order for you to prosper, you need a rewarding career that offers good pay and appreciates what you bring to the team.

Opelika is the 2nd fastest growing MSA in Alabama and we have a wide variety of career opportunities currently available:

**MANUFACTURING • MEDICAL • PHARMACEUTICAL
FOOD & BEVERAGE • LOGISTICS & TRANSPORTATION
INNOVATION & TECHNOLOGY • AND MUCH MORE**

Learn. Grow. Excel.

Please see your CSP Installation Administrator for more information and visit our website for more details on available careers as well as our Relocation Incentives Program!
